JASONOBAWEMIMO.COM

PEARLAND, TX

Builder and operator focused on high-value web design, workflow systems, and AI-enabled operating layers that turn attention into measurable business value.

FOCUS

Web design

SYSTEMS

Supabase, PostgreSQL, Vercel

CREDENTIALS

Anthropic course portfolio

EXPERIENCE

Founder / Web Systems Builder

SEP 2024 - PRESENT

Web Design, AI Workflows & Business Systems

- Design conversion-focused websites and landing pages with clear positioning, lead capture, and practical customer journeys.
- Build AI-assisted workflows for intake, qualification, content, reporting, follow-up, and CRM/database handoffs.
- Develop agentic workflows using Claude, Codex, MCP, Supabase, PostgreSQL, CLI tooling, and documentation systems.
- Translate owner-operator workflows into SOPs, intake scripts, follow-up logic, and reporting structures tied to revenue.

Co-Owner / Operator

AUG 2024 - PRESENT

Triple J Auto Investment & Rental Operations

- Manage rental and dealership workflows across pricing, customer intake, scheduling, payments, and follow-up.
- Negotiate pricing and financing options while protecting margin and maintaining customer trust.
- Coordinate leads, inventory, vendors, and client relationships across active business lines.
- Improve operating cadence with documentation, clearer handoffs, and repeatable customer processes.

EDUCATION
